2. Vessels Associated with the Activity

The vessel Atlantic Kestrel will be used in the Towing Operation.

Vessel Name	Atlantic Kestrel	
Call Sign	XJBE	
IMO	9557446	
DP Class	2	
Length Overall	85.2m	
Breadth	22m	
Draught	6.5m	

Floating foundation WF1 is the towed vessel.

Name	WF1	
Length Overall	*65.264m	
Breadth	75.36m	

3. General Safety Advice

All vessels engaged in the Towing Operation will exhibit appropriate lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea; relative to their operations. All vessels engaged in the activity will also transmit an Automatic Identification System (AIS) message. The Vessel Master will issue regular broadcasts whilst the vessel is operating to ensure minimal disruption and that vessels maintain an appropriate and safe distance.
