Notice to Mariners: Notice of Upcoming Site investigation

1) Summary

Please be advised that there will be a short programme of work (approximately 24 hours excluding weather) at the Kincardine Field. The work will be inside the wind farm area and close to the floating assets. The scope of the operations is:

- A debris and bathy survey

The work was expected to start in early May but is rescheduled and now expected to start from Thursday 28 May 2026.

Survey vessel will be EDT Hercules, which will be listening on channel 16 at all times.
